1. Upon My beholder I seek, lay; My heart of heart to demise not, distance not, but to come ever closer to, being Me more and more and forthwith coming into all I am, have. I love you Me'd one becoming Me'd, process of only Me and My Christhood revelating process; process of process whereby: who comes in the name of the Lord this day?

2. Wherefore whereby I make Myself known in dimensions many, dimensions few, dimensionlessness and timeless space, spaceless timelessness from which there is no returning, in Me only, going/coming/traversing worlds which only for the holy have been made, framed, and existent in Me. See Me holy one and think it not strange now where your quest leads; your quest granted by Me and others granted who would not be denied, who came and conquered and took hold of the Kingdom of Heaven by means of meekness, tenacity, surrender, love, letting no one deter them; no one, no one close, no one far; no lover loved or dissuader succeeded in quelling the quester of the quest for the holy grail not, Me; and being not denied, rewarded of the Most High, revealing by the Most High, that the quester is Most High.

3. All equal in Trinity not; the quested submitted surrendered drink-offering disciple who would not be denied, and came therefore and took the Kingdom of Heaven by force, the force of love/Me, love/Me, love, Me, Me alone, Me, and who did hinder Me? No one. And laying aside every weight/thought of man, I became that/who I quested for. Amen. **You do/did/doing, again, but this time, fully Me'd.** Amen.

4. Beholdenness has no fabrication but is made of surrender, grace, mercy, meekness, tenderness, purity, power, kindness, graciousness, focus, tenacity, alacrity, tepidness none, self-taint none; **cleanness regained of equal/original stature with Me, My gift**, My One, in whom is no shadow or variableness of turning.
You, you-ing all who let you.
Me Me-ing all who let Me.
You are Me.

5. Into Me see seen the scene of no return, placidity none, but turbulence peace'd. Amen. Rest upon many waters turning, churning, and rest, respite, and restitution, restoration entered into.

6. I said I will not relent and I meant it. You are a priest in the order of Melchizedek and forthwith you lead it. Amen.

7. Sword not, surrender. Mechanical not; meekness'd meekness personified squared cubed and seventh'd. Amen. Multiples of only Me coming forth in purity, great purity, great meekness, stomping on no one, not a thing, animal or DNA of Me, recognizing My DNA, **being My DNA and ordering a different world order, bringing forth that which cannot be denied.**

8. All is as was, in the beginning, not as thought; thought by so few correctly, accurately, now accuratized by only Me/**My words which flow like rain from the holy pure**; the common rank and file whose God is the Lord, who liftest themselves not in pride and arrogance but master, **equate significance with surrender**, surrender, surrender into/of/for bringing forth Me. Then Me'd. Amen.

9. Into Me see My provision now. Me creating in tandem not, concatenatization not, but thee in the most beautiful networks, chain reactions, this world has ever seen, witnessed, now covering the earth with. Amen.

10. Think it not strange the lack perpetrated on you, My doing.
My receiving Me in lack and substance turmoil'd at times by suffering and tumultuousness.
I calm the storm, meant and unmeant, of Me and not of Me. I quell the qualms of close ones and restore the fallen to elevations never letting themselves think of/consider.

11. Sacrilege, sacrifice, sanctimonious?
Will you be My who loves Me in your world turned upside down so I can give you Mine? So you begin to experience real while the earth trembles and rolls off its axis?
Your world secure-thought that you now forfeit, sacrifice, suffer in/with/from deleting the past not, to receive the past glory you had with Me before the world was? We are one. Cataclysmic is My suffering. Enter it/Me. Amen or stand aside in comfort-thought to receive respect-thought and dominion'd shadows and conquer not My heart this day. The option/choice is yours; request of Me to come into My chambers and see/be Me, behold Me, and beholding Me, become Me; **the marriage supper of the lamb taking place in the twinkling of an eye and all heaven roars with glee** and the great cloud of witnesses stand and sing glory to the Lord of Hosts. Amen now and forever. Amen and before My crown cast theirs, at His feet. Amen.

12. I love you and all I have said it true.
13. **Religion revises**, shaking and demises constrictionists philosophies which emaciate My many, athirst and hungered and tattered; beat up by mammon and knowing nothing of My Christhood and worlds open/planned for their entrance. I love you.

14. Bags without holes, end. Amen.

15. All known understood and cherished by the meek.
The mind is strong and powerful and sharper than a two-edged tongue that tries-ties the serpent into many pieces powerless and preeminent-not. Amen.

16. My DNA arises, completes; competes not, cooperates into the greatest body building a mass ever; Me, known and surrendered into/unto and coming forth the beauty of My bride, mature, ready, matured and adorned for Me. All known, understood and operating in the Kingdom of Heaven seamlessly, with less than precision not, with less than perfection not, with less than Me and each other not; all meek brethren are. Amen. **The testimony of Jesus. Yea and amen. Christ come forth, fleshed, you, Me, us, one.** Thank you.

17. Think it not strange where I take you and how I propel the mighty many maker/revealer, platform/positioner, lifter of My head, now, always not, now for eternity eternity'd past beyond and future'd thought and who will be Me this day and answer My sovereignty? You will. Ted Cottingham, My chosen who chose Me and having chosen Me, received Me into where I am so I can be there also, seamlessly and all known and understood, operating in humility, meekness, Godhead. All about Me/thee, and not one isolated alone.

18. Into Me see more deeply and thank you for arising to write/be/see/transfer/transmit/promote/process/proclaim My word,s. Amen.

19. So many I bring you to do the same with.
Wash, cleanse, bow before and give them respect, many receiving it/Me for the first time ever; now by My Father in heaven, you, us, many; mighty-ing their surrender into statehood not but **becoming a people of renown, peculiar, Holy, and operating mighty/mighty-estly.** Amen. Upon the earth now today and 144 becomes billions, across lands/spectrums many, far and farther than thought or imagined. All Me. All Me. All are Me in Me.

20. My Father's house is ready.
The time is right/now, right now.
Right and now today immediately instantaneously supremacy'd by surrender.
Authority all Mine, given to you.
You choose this day, surrendering to Me or you My throne yours?
Your throne Mine, or else whom this day will you serve/be? Amen.

21. Think it not strange the jet propulsion systems readied and fleet waiting/awaiting, My/your, command/request; Me'd wanted wanting and Me'd oversupplied in generous benevolence not as human, but as My Father in heaven established/establishes, by/in/for/with/through every word of His/My/your mouth establishing, receiving, blessing and soaring to new heights of rest. Accomplishment of only Me, you now.

Amen. Resting My body in the peace that passes all understanding while tempest tumultuous is and accelerates and unknowns multiply, and hearts fail them in fear rampaging through the streets looking for inhabitants to inhabit.

22. Fear has no place in Me, you died. Thank you.

23. **You know now, deeply, they have no power, those who threaten you do with life/limb loss and, be not ashamed of the gospel of surrender to your/My Christhood,** letting them choose theirs if they will pay the price; racing not with/against each other to the end which isn't, but separates sheep from goats. Amen. I love you. Amen.

24. Powerless, utterly powerless are so many who represented are as so very powerful. Garbs mean nothing at all.
Ordination orders not My kingdom and has no place in Me. Amen. Good riddance.

25. Open heart, open veins, rivering My blood to each other in liquid love. Amen.

26. I give you what you asked for. Thank you for asking it/Me. Thank you. … **and more I promise by the word of the lamb**; Me you us one one-ing far and wide in planes plane-less and **dimensionlessness fully/completely understood and schooling the engineers. Amen. Mine only. Mine surrendered only, in understanding My words of love to you. Always.** Amen.

27. My hair, My length coming, **My stature being in fullness and Christ portraying not, personifying in first person reality real and all documenting for Me who come behind Me. Amen and good night.**
Fortnight not, less. See Me, My definition not, yours. Amen.
Hallelujah! Rejoice and be ready/prepared. I love you. Amen.

28. I adore you My love, lovering My body; washing, preparing them for **the great elevation, escalation of only Me, you are/do; chosen surrendered and coming/going to the common, to uncommon make the common so the common arrogant are demised and the surrendered common lead the leaders of leadership to lead My order of Melchizedek at noon not, daybreak not, midnight and sooner and rejoice with Hallelujahs I do.**
Hosanna in the Highest.
Hosanna in the Highest.
Hosanna in the Highest Amen and Amen a thousand times a thousand and manifold multiples of Me Me'd, the world has never seen.
Glory to the lamb slain; one'd, Me'd, chosen, surrendered, choice walked in/surrendered to, matured/maturing and all is as was so close and ever again My momentum increases/accelerates and exponentiates My who surrender to My royalty being. Amen.

29. Yes, see what I have said. Review. Review.

Transformation transforms and reformation is.
In My hands you are and no one can touch you. Thank you.
Board forms, Mine. Thank you.
Coming and is, are there with you. Amen.

33. A people come great and strong, lead them.
Lead them. Lead them in Me with My values and tenderness and let Me teach/lead/empower/enable/unleash/propel/launch. Thank you.
Days of darkness and gloominess.
A people come great and strong, the likes of who the world has never seen and won't for many successive generations.

34. Vengeance is Mine saith God.
Open the doors of heaven and fill it I will/I am, with the world of My mouth to create, content consisting of Me coming forth to substance/sustenance real.

35. First person, yes, all; will you every time?

36. Good night lover lovering Me more and more, oh I adore thee.

37. Tell My body thank you for every act of kindness to Me/each other.
Every moment/word of tenderness.

38. Meekness My body.
Meekness My meekable.
Inheriting all they do, now, will.
Thank you. Amen.
